What we do...

Digital Graphics Printing Ltd, is amongst the highly reputed firms in Bangladesh, catering mostly to multinational companies. Our company was established in the year 2009, today, we are one of the most preferred manufacturers, exporters, importers and importers for many industries. Our client are spread across different industries like Pharma, Telecom, Food, Cosmetics, around 70% of our business. Most of our clients are Exporters and naturally our products meet international standards. With our standard Quality control methods we have been able to satisfy the demands of our esteemed customers who treat us their Partners in progress.

Honourable Managing Director

Assadus Jaman
Managing Director
Digital Graphics Printing Ltd.

At Digital Graphics Printing Limited (DGPL), we believe that our business must touch the lives of people meaningfully. We have been serving as a trusted Interior, exterior and digital printing media agency since 2009.

Today There are 3 (Three) companies Operating with Digital Graphics Printing Ltd. (DGPL) as sister concern of Images Ltd. In 2017 our expected turnover was 182 Million (in Taka BD). But our real strength comes from our commitment to valuable clients. We believe in growing our business while ensuring the quality services everywhere we operate. Some of the most demanding customers choose to work with us. Domestic & Multinational companies rely on us to deliver projects on time and to stringent quality specifications.

Our success is founded on a very simple philosophy. We honor our commitment to all of our clients. I take this opportunity to express my sincere thanks to our customers, suppliers, and everyone with whom the company interacted in conducting its business. We are grateful to you for extending at all times, your valuable support and cooperation to bring the company to the level it has reached today. The success we have achieved so far was only possible because of the collective efforts of all concerned. We will create new possibilities by enhancing value, improving social returns and having contribution to national economy and wealth.

MANAGEMENT TEAM

■ NAZMUL HASAN

Executive Director (Operation)

Digital Graphics Printing Limited has become one of the most reliable, reputed and diversified digital printing media conglomerates in the country. We have been committed to playing a strong and responsible role in sustainability; from implementing quality in interior, exterior and digital printing to providing innovative design and services. We have been preoccupied with work; in getting our work done effectively and in not compromising on the quality of work, products and services. We faltered, succeeded but were never complacent. Our course was determined progressively with the combination of our people and the prosperity we achieved through our collective ability to master new knowledge and ideas as well as willingness to safeguard sustainability of the organization.

■ Roushan Ali Sarker

Executive Director (Planning)

DGPL is always looking forward to providing certainty among its honorable clients by providing best quality product and service. We always take the quality as a first and foremost concern, because we truly do believe that to extend the business quality product and service is the only way. The competing market encourage us to deliver our best. By delivering quality product we also give effort to adopt new technology, strategy which will give us competitive advantage in the industry. We believe that Success is based on delivering quality at every stage of the value chain and when customers relate their satisfaction to that promise of quality.

■ Sazzad Hossain

Executive Director (Business Development)

Digital Graphics Limited is a synonym to quality, reliability and, commitment and portrays a pillar of creativity since 2009. The characteristic and practice assist to uplift the organization. All the employees are creative, dynamic, work driven, customer centric and results-oriented. It leads to boosting team spirit and make the assigned task perfect. Our core values accommodate this power of inclusion. We are living in times, when on a daily basis there is ever-increasing complexity and unpredictable business scenarios arising from global perspective.

■ Sahazalal Hossain

Head of Finance & Accounts

We are faced with challenges as well as opportunities which we can tackle with determination and desire benefits from, with our power of collaboration. DGPL is geared to come up with new technology, research and innovation for the company, the customers. Our expertise and skilled team is consistently working to provide new experience in designing and creativity to our valuable customers. Looking forward, as economic, social and technological changes gather pace, offering us challenges to be innovative in engaging our resources, Digital Graphics Limited will continue to be committed to provide the best quality products and services.
